# Emotional Survival for Law Enforcement

with

## Kevin Gilmartin, Ph.D.

### Wednesday, October 13, 2010

TWO SESSIONS TO CHOOSE FROM:

8 am-12 Noon OR 1 pm-5pm

Cedar Lake Lighthouse Restaurant • Cedar Lake, IN

Dr. Gilmartin's presentation Emotional Survival for Law Enforcement, addresses the dynamics that can transform idealistic and committed officers/employees into cynical, angry individuals who begin having difficulties in both the personal and professional aspects of their lives. Experience tells us that most law enforcement agencies have to deal with inappropriate behavior on the part of some officers / employees who previously had exemplary records, yet we find that agencies typically do not offer training to supervisors or employees in attempting to preserve idealism, motivation & overall emotional survival.

Attend a 4-hour session and walk away with information on how the deterioration process can take place, what specific preventative strategies can be employed, and how to keep employees committed and engaged in productive law enforcement.

*Spouses are encouraged to attend.*
