Requires the individual to make the election not later than July 30, 2016. Provides that for an individual who makes the election: (1) the individual's service in PERF is considered participation in the plan for purposes of vesting in the employer contribution subaccount, and the individual waives service credit in PERF for the service; (2) the amount credited to the individual's annuity savings account in PERF is transferred to the individual's member contribution subaccount in the plan; and (3) the amounts paid to PERF by the state as employer normal cost contributions for the individual are transferred to the individual's employer contribution subaccount in the plan. Makes a technical correction. (The introduced version of this bill was prepared by the interim study committee on pension management oversight.)
