HB1084 EMERGENCY CONTACT DATA BASE (COOK A) Requires a law enforcement officer to: (1) access the Indiana emergency contact data base (data base); and (2) attempt to contact emergency contact persons (emergency contacts); within a reasonable amount of time after learning of death or serious bodily injury to an individual holding certain credentials issued by the bureau of motor vehicles (credential holder). Provides civil immunity to a law enforcement officer who makes a good faith effort to: (1) access the data base; and (2) attempt to contact a credential holder's emergency contacts. Extends civil immunity to the law enforcement agency employing a responding law enforcement officer when the officer makes a good faith effort to: (1) access the data base; and (2) attempt to contact the credential holder's emergency contacts. Requires the bureau of motor vehicles (bureau) to create, maintain, and operate the data base. Requires the bureau to allow credential holders to voluntarily submit information for not more than two emergency contacts whenever a credential is: (1) applied for; or (2) renewed. Requires an emergency contact to be: (1) at least 18 years of age; and (2) in possession of at least one valid credential. Limits emergency contacts to parents or guardians when credential holders are unemancipated minors. Allows a credential holder to: (1) delete; (2) submit; or (3) update; emergency contact information for an emergency contact at any time. Requires a credential holder to provide the bureau with the following information regarding an emergency contact: (1) Name. (2) Date of birth. (3) Residential address. (4) Phone number. (5) Description of the relationship with the credential holder. Prohibits the bureau from assessing a fee against a credential holder for any service related to the data base. Provides that information contained in the data base is confidential and exempt from disclosure or public inspection. Creates certain exceptions. Provides the bureau with immunity from civil liability for issues related to the data base in certain circumstances. Provides the bureau with rulemaking authority for issues related to the creation, maintenance, and operation of the data base and all associated paperwork and protocols. Requires the data base to be operational and accessible to law enforcement officers not later than July 1, 2019. Defines certain terms.

HB1094 DEFERRED RETIREMENT OPTION PLAN FOR PERF AND TRF (BURTON W) Establishes a deferred retirement option plan (DROP) for members of the public employees' retirement fund (PERF) and the Indiana state teachers' retirement fund (TRF), excluding elected officials of the state or a political subdivision. Provides that a member of PERF or TRF who is employed in a covered position and is eligible to receive an unreduced retirement benefit under the provisions of the fund to which the member belongs may make an election to enter the DROP. Provides that a member who enters the DROP: (1) shall execute an irrevocable election to retire on the DROP retirement date and remain employed until that date; (2) shall continue to make contributions to the fund to which the member belongs; (3) shall elect a DROP retirement date not less than 12 months and not more than 36 months after the member's DROP entry date; and (4) may make an election to enter the DROP only once in the member's lifetime. Provides that the employer of a member who elects to enter the DROP shall continue to make employer contributions to

the fund to which the member belongs. Provides that a member who retires on the member's DROP retirement date may elect to receive a retirement benefit: (1) paid by and calculated under the provisions of the fund to which the member belongs as if the member had never entered the DROP; or (2) calculated under the applicable provisions of the fund to which the member belongs and based on the average of the annual compensation computed and the total creditable service completed by the member on the member's DROP entry date (DROP frozen benefit), plus an additional amount calculated by multiplying the amount of the DROP frozen benefit by the number of months that the member was in the DROP. Requires the member to elect to receive the additional amount as a lump sum or in three equal annual payments. Provides for a partial DROP benefit if the member retires because the member becomes disabled while in the DROP. Provides that benefits for the beneficiaries or survivors of a member who dies while in the DROP are calculated under the provisions of the fund to which the member belongs, as if the member had never entered the DROP. Outlines the treatment of cost of living increases paid to members of the fund to which a member belongs while the member is in the DROP.

HB1305 ELECTRONIC REPORTING OF VALUABLE METAL PURCHASES (GUTWEIN D) Transfers the authority to regulate valuable metal dealers from the state police department to the state department of homeland security (DHS). Requires a metals business (an automobile scrapyard, automotive salvage recycler, core buyer, recycling facility, or valuable metal dealer) to electronically submit daily reports to the DHS concerning its valuable metal purchases. Requires the DHS to maintain ownership and control of the computer software system used for the electronic reporting and to retain the information for at least two years. Declares the information submitted electronically to be confidential but requires that the information be made available to law enforcement agencies. Makes a metals business immune from civil liability arising from the disclosure of information concerning valuable metal purchases if the information is disclosed through a computer system breach and if the breach is caused by a person other than, and without the knowledge or consent of, the metals business. Makes it a Class A misdemeanor for a metals business to knowingly or intentionally fail to comply with record keeping or reporting requirements. Makes it a Class A misdemeanor for a person to recklessly sell or attempt to sell stolen valuable metal to a metals business. Requires the executive director

of the DHS to adopt rules concerning the electronic reporting of valuable metal purchases. Precludes a unit of local government from adopting an ordinance to regulate metals businesses. Includes a statement by which the general assembly covenants not to repeal or amend the law on valuable metal purchases, except for technical corrections or increases in penalties for violations, before July 1, 2027.

HB1558 PRIVACY OF LICENSE PLATE DATA (PIERCE M) Prohibits a law enforcement agency from retaining license plate data captured by an automated license plate reader for more than 30 days. Specifies exceptions to this retention limit in specified circumstances, including: (1) for captured plate data obtained under a warrant; and (2) for purposes related to ongoing investigations. Allows a law enforcement agency to share captured plate data with another law enforcement agency in certain circumstances. Allows a party to pending or potential litigation, or the party's attorney, to request the retention of captured plate data for more than 30 days. Allows the owner of a license plate to request the retention of the owner's captured plate data for more than 30 days. Provides that requests for the extended retention of captured plate data must: (1) be made in writing; (2) specify a period of retention; and (3) be submitted to the law enforcement agency retaining the desired captured plate data. Requires law enforcement agencies retaining captured plate data to: (1) maintain properly trained personnel; (2) establish protocols that allow for the timely processing of warrants, subpoenas, court orders, and written requests seeking an extended period of retention for captured plate data; (3) create and implement access

protocols for retained captured plate data; (4) limit access to the retained captured plate data to personnel that have received proper training in the implemented access protocols; (5) publicly announce, in a public forum and on a semiannual basis, the law enforcement agency's: (A) use of automated license plate readers, if any; and (B) policies and procedures concerning retained captured plate data; (6) remove captured plate data not subject to an extended period of retention within 30 days; and (7) verify the accuracy of information contained in captured plate data before using the captured plate data to further a criminal investigation. Allows a law enforcement agency to adopt rules, ordinances, resolutions, guidelines, or policies, as appropriate, to implement these requirements.

HB1577 DNA SAMPLES OF FELONY ARRESTEES (BAUER B) Requires every person arrested for a felony after June 30, 2017, to submit a DNA sample, and specifies that the sample may be obtained only by buccal swab. Provides for the expungement of a DNA sample taken from a person if the person is acquitted of all felony charges, all felony charges are dismissed, or no charges have been filed after 30 days. Requires the officer who obtains a DNA sample from a person to inform the person of the right to DNA expungement and to provide the person with a form that may be used for DNA expungement, and permits the use of evidence other than a court order for expungement. Increases the DNA sample processing fee from \$2 to \$4. Allocates \$500,000 semiannually to hold harmless all funds and to provide an additional amount to the DNA processing fund. Specifies that the discovery of DNA evidence tending to show previously unknown crimes committed by a person on bail may lead to revocation of bail or an increase in the amount of bail.

HB1645 **LAW ENFORCEMENT OMBUDSMAN (SUMMERS V)** Establishes the office of the law enforcement ombudsman (ombudsman). Provides that the governor appoints the ombudsman, who must be a licensed attorney and devote full time to the duties of the office. Provides that the ombudsman receives and investigates complaints made against law enforcement officers of state and local law enforcement agencies to determine if the law enforcement agency's investigation of the law enforcement officer's actions was complete, thorough, objective, and fair. Requires the ombudsman to have access to any local or state agency records that are relevant to the complaint. Provides that if the ombudsman determines that a law enforcement agency's handling of the complaint against a law enforcement officer is insufficient, the ombudsman shall submit a written recommendation of further action to the police chief, governor (if a state agency), or municipal or county executive and legislative body. Allows an ombudsman to mediate a complaint between the complainant and the law enforcement officer or law enforcement agency if all parties consent. Makes it a Class A misdemeanor to interfere with the ombudsman or a person who files a complaint with the ombudsman.

SEIZURE AND FORFEITURE OF PROPERTY USED IN CRIMES (RANDOLPH

L) Provides that when property is seized under the law concerning forfeiture of property used in violation of certain criminal statutes, the state or local law enforcement agency making the seizure shall: (1) identify the owner of the property; and (2) provide the owner with notice of the intent of the state or local unit of government to seek forfeiture of the property. Requires a prosecuting attorney to show by clear and convincing evidence that the owner of the property was: (1) convicted of; or (2) entered a plea of guilty or nolo contendere to; the offense that gave rise to the forfeiture before the property may be forfeited. Allows the owner of, or another putative interest holder in, property seized to file a motion for the hardship release of the property at any time after the property is seized. Requires the court to order the release of the seized property if the owner or putative interest holder establishes certain criteria by a preponderance of the evidence. Requires a court to determine whether the forfeiture of the property would be disproportional to the offense that gave rise to the forfeiture. Provides that the prosecuting attorney has the burden of establishing proportionality by clear and convincing evidence. Requires the court to dismiss a forfeiture action if the court determines the forfeiture of the property is disproportional to the offense.

USE OF FORFEITURE PROCEEDS (GROOMS R) Provides that, in a forfeiture proceeding, 1/3 of the proceeds may be provided to the prosecuting attorney or an attorney retained by the prosecuting attorney in a forfeiture action, unless the prosecuting attorney has declined a request from the state police department to transfer the forfeiture to federal jurisdiction, in which case 20% of the proceeds but not more than \$5,000 may be transferred to the prosecuting attorney. Provides that of the remaining proceeds, 15% shall be provided to the common school fund and 85% shall be distributed to an account for distribution to law enforcement agencies participating in the seizure as necessary law enforcement expenses. Specifies that money or the proceeds of seized property placed in a county asset forfeiture account may be disbursed only by action of the county legislative body under a claim submitted by a law enforcement agency or prosecuting attorney, and must be disbursed under an interlocal agreement, if applicable. Permits a prosecuting attorney to retain an attorney to bring a forfeiture action only if the attorney general reviews the compensation agreement between the prosecuting attorney and the retained attorney, and requires that the compensation agreement with the retained attorney be capped at: (1) 33 1/3% of the first \$10,000 of the amount of the proceeds or money obtained; (2) 25% of the part of the amount between \$10,000 and \$100,000; and (3) 20% of the part of the amount that is at least \$100,000; unless a court finds that the forfeiture action is unusually complex. Requires a court to notify the Indiana criminal justice institute of the amount and manner of a forfeiture distribution. Provides that a prosecuting attorney or deputy prosecuting attorney who engages in a forfeiture action for the prosecuting attorney's office may not receive a contingency fee.

VARIOUS PENSION MATTERS (BOOTS P) Establishes a single special death benefit fund to replace the two separate death benefit funds established under current law to pay death benefit claims to the beneficiaries of public safety officers or other state public employees who die in the line of duty. Provides that death benefits paid to beneficiaries of members of the following funds who die in the line of duty are to be paid from the special death benefit fund instead of the pension relief fund: (1) The 1925 police pension fund. (2) The 1937 firefighters' fund. (3) The 1953 police pension fund (Indianapolis). (4) The 1977 police officers' and firefighters' pension and disability fund. Allows an individual who is a member of both the public employees' retirement fund (PERF) and the Indiana state teachers' retirement fund (TRF) to make independent elections concerning the amounts credited to the member in the annuity savings account of each fund. Allows a member of PERF or TRF, or both, to do the following with the money credited to the member in a PERF or TRF annuity savings account, in any combination: (1) Retain and continue to invest all or part of the money in the annuity savings account. (2) Receive one or more distributions of all or part of the money in the annuity savings account. (3) Obtain an annuity with all or part of the money in the annuity savings account. Provides that if survivor benefits under PERF or TRF are forfeited for the failure of a survivor to claim the benefits within three years of the death of a member, the money to pay the benefits must be credited in the manner provided by the board of trustees of the Indiana public retirement system, rather than to PERF or TRF specifically. Provides that the minimum pension benefit for a regularly retired member of TRF who receives an unreduced pension benefit is \$185 per month. Makes an appropriation.
