SB46

VARIOUS PENSION MATTERS (BOOTS P) Establishes a single special death benefit fund to replace the two separate death benefit funds established under current law to pay death benefit claims to the beneficiaries of public safety officers or other state public employees who die in the line of duty. Provides that death benefits paid to beneficiaries of members of the following funds who die in the line of duty are to be paid from the special death benefit fund instead of the pension relief fund: (1) The 1925 police pension fund. (2) The 1937 firefighters' fund. (3) The 1953 police pension fund (Indianapolis). (4) The 1977 police officers' and firefighters' pension and disability fund. Allows an individual who is a member of both the public employees' retirement fund (PERF) and the Indiana state teachers' retirement fund (TRF) to make independent elections concerning the amounts credited to the member in the annuity savings account of each fund. Allows a member of PERF or TRF, or both, to do the following with the money credited to the member in a PERF or TRF annuity savings account, in any combination: (1) Retain and continue to invest all or part of the money in the annuity savings account. (2) Receive one or more distributions of all or part of the money in the annuity savings account. (3) Obtain an annuity with all or part of the money in the annuity savings account. Provides that if survivor benefits under PERF or TRF are forfeited for the failure of a survivor to claim the benefits within three years of the death of a member, the money to pay the benefits must be credited in the manner provided by the board of trustees of the Indiana public retirement system, rather than to PERF or TRF specifically. Provides that the minimum pension benefit for a regularly retired member of TRF who receives an unreduced pension benefit is \$185 per month. Makes an appropriation. (The introduced version of this bill was prepared by the interim study committee on pension management oversight.)

SB231 CRISIS INTERVENTION TEAMS AND SUBSTANCE ABUSE PROGRAMS (CRIDER M) Provides that the chairperson of the Indiana commission to combat drug abuse (commission) is a member appointed by the governor who is either the executive director for drug prevention, treatment, and enforcement or a member of the governor's staff. (Current law provides that the chairperson is a member of the governor's staff.) Specifies that the commission: (1) shall meet at the call of the chairperson, but at least four times in a calendar year; and (2) shall approve requests for substance abuse treatment and prevention programs. Transfers the administration of the technical assistance center for crisis intervention teams from the Indiana criminal justice institute to the Indiana law enforcement training board. Provides that in conjunction with the commission and the division of mental health and addiction, the law enforcement training board may establish the technical assistance center. Provides that the commission may make grants of up to \$300,000 annually to the law enforcement training board to carry out the purposes of the technical assistance center. Makes a technical correction.

SB322

DNA FOR FELONY ARRESTEES (HOUCHIN E) Requires every person arrested for a felony after December 31, 2017, to submit a DNA sample, and specifies that the sample may be obtained only by buccal swab. Provides that the DNA sample may not be shipped for DNA identification unless the arrestee was arrested pursuant to a felony arrest warrant or a court has found probable cause for the felony arrest. Provides for removal of a DNA sample from the data base if: (1) the person is acquitted of all felony charges or the charges are converted to misdemeanors; (2) all felony charges against the person are dismissed; or (3) no felony charges are filed against the person within 365 days. Requires the officer who obtains a DNA sample from a person to inform the person of the right to DNA removal and to provide the person with instructions and a form that may be used for DNA removal. Provides that a person who knowingly or intentionally disseminates, receives, or otherwise uses information in the DNA data base for a purpose other than authorized by law commits a Level 6 felony. Increases the DNA sample processing fee from \$2 to \$3. Amends distribution percentages to hold harmless all funds and to provide an additional amount to the DNA processing fund. Specifies that the discovery of DNA evidence tending to show previously unknown crimes committed by a person on bail may lead to revocation of bail or an increase in the amount of bail.

SB408

INSPECT PROGRAM (HOUCHIN E) Requires, as part of the renewal of a license, certain practitioners to certify that the practitioner has access to the INSPECT data base and allows for discipline for false certification. Provides that, to the extent considered appropriate by the state board of pharmacy (board), the INSPECT data base must be interoperable with other similar registries operated by federal and state governments. Adds an investigator for the state Medicaid fraud control unit to the list of persons who can receive certain confidential INSPECT program information. Requires the office of the secretary of family and social services, in collaboration with the Indiana board of pharmacy, to apply for and distribute grants for the integration of the INSPECT data base and electronic health records. Requires the board to report, before December 1, 2017, to the legislative council concerning the integration of the INSPECT program data base with electronic health records and specifies requirements for the report. Requires, beginning July 1, 2018, a practitioner to obtain information about a patient from the INSPECT data base before prescribing ephedrine, pseudoephedrine, or a controlled substance to the patient and sets forth exceptions. Requires the board to establish procedures for a patient or a patient's authorized representative to obtain the patient's INSPECT program report. (Current law allows a patient to access a report that has been included in the patient's medical file by a practitioner.) Provides that if a patient or patient's authorized representative disputes information in the patient's INSPECT report, the board shall investigate the claim and promptly revise any inaccurate information. Requires the board to seek and apply for grants and other money from federal agencies and other entities for the controlled substances data fund.
